Toronto, May 18, 2010

Kirsten Walli  
Board Secretary  
Ontario Energy Board  
Suite 2700, 2300  
Yonge Street  
Toronto ON M4P 1E4

Dear Ms. Walli:

**RE: Natural Resource Gas Limited ("NRG")  
Responses to Information Requests (EB-2010-0018)**

We are counsel to NRG. We are refilling responses to Information Requests from Board Staff to include answers to Board Staff IRs 35-37, which were inadvertently omitted from yesterday's filings. An electronic copy has been filed with the Board via the RESS system.

Hard copies of NRG's responses to Information Requests from Board staff, the Town of Aylmer, the Integrated Grain Processors Cooperative ("IGPC") and the Vulnerable Energy Consumers Coalition ("VECC") will be couriered to all parties late tonight/tomorrow (these will include a colour version of an 11" x 17" system map).

Yours very truly,

for: Richard King
