IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application by 2099634
Ontario Limited for an electricity generation licence.

By delegation, before: Mark C. Garner

DECISION AND ORDER

2099634 Ontario Limited (the "Applicant") filed an application with the Ontario Energy Board (the "Board") under section 60 of the *Ontario Energy Board Act, 1998* (the "Act") for an electricity generation licence. The application was received by the Board on May 11, 2006.

The Applicant applied to be the licensed operator of a generation facility owned by Enbridge Gas Distribution Inc. ("EGDI"). The Board has been advised that EGDI will apply to be the licensed owner of the generation facility.

The Board's Notice of Application and Written Hearing (the "Notice") was published on August 1, 2006. No parties responded to the Notice.

After considering the application, I find that it is in the public interest to issue the electricity generation licence under Part V of the Act to the Applicant as operator of the generation facility.

IT IS THEREFORE ORDERED THAT:

The application for an electricity generation licence is granted, on such conditions as are contained in the attached licence.

DATED at Toronto, November 21, 2006.

ONTARIO ENERGY BOARD
