Dear Mr. Quinn:

**Re: Enbridge Gas Distribution Inc.  
Board File No. EB-2008-0219  
Request for Late Intervention Status**

The Board is in receipt of your letter of April 26, 2010 requesting the late intervention status of the Federation of Rental-Housing Providers of Ontario ("FRPO") in the above-noted proceeding.

The Board notes Mr. Quinn's clarifying comments about FRPO's participation becoming effective at the outset of the next phase of the current Stakeholder Consultation process convened in the EB-2008-0219 proceeding. The "next phase" is a presentation by the working group to the larger group of stakeholders in the consultation. The Board anticipates that this next phase will be convened within the next several weeks.

The Board has received no letters of objection to FRPO's request.

The Board has determined that it will grant FRPO late intervention status subject to the condition that FRPO accept the record as it stands in this case, as of the date of the next phase presentation. FRPO's participation shall become effective as of the date of this next phase presentation.

-2-

The Board will grant FRPO its request for eligibility to claim an award of costs for its participation. Additionally, FRPO may claim up to 5 hours for background preparation for its participation in the next phase of the consultation.

Yours truly,
