FOR THE MUNICIPALITY OF DUTTON-DUNWICH**

Union Gas Limited (the “Applicant”) has filed an application dated May 27, 2010 with the Ontario Energy Board (the “Board”) under section 9 of the *Municipal Franchises Act*, R.S.O. 1990, c. M.55, as amended (the “Act”). The Applicant has applied for an order of the Board approving the terms and conditions upon which and the period for which the Corporation of the Municipality of Dutton-Dunwich (the “Corporation”) is, by by-law, to grant to the Applicant the right to construct and operate works for the distribution, transmission and storage of natural gas and the right to extend and add to the works in the Municipality of Dutton-Dunwich (the “Municipality”). The Applicant has also applied under section 9(4) of the Act for an order of the Board declaring and directing that the assent of the municipal electors to the by-law is not necessary.

The Manager, Natural Gas Applications, does not intend to provide for an award of costs when deciding this application.

Copies of the application and pre-filed evidence will be available for public inspection at the Board's offices, the Applicant's offices, and at the office of the Corporation at the addresses indicated below.

The Board intends to proceed with the application by way of a written hearing unless a party satisfies the Board that there is a good reason for not holding a written hearing.
