The Association of Power Producers of Ontario (APPRO) wishes to participate as an Observer in the above noted proceeding.

APPRO is a non-profit association that advocates on behalf of Ontario generators in a number of settings, including regulatory proceedings before the Board. The members of APPRO represent more than 98% of Ontario's generating capacity and are active in every generation technology: gas, wind, cogeneration, district heat and power, nuclear, hydroelectric, coal, solar, geothermal, energy from waste and fuel cells.

All service should be directed to the undersigned at [david.butters@appro.org](mailto:david.butters@appro.org).

Sincerely,

A handwritten signature in black ink, appearing to read 'David Butters', enclosed within a large, loopy oval shape.
