Kirsten Walli
Board Secretary
Ontario Energy Board
Suite 2701 - 2300 Yonge Street
Toronto ON M4P 1E4

Dear Ms Walli:

**Re: Ontario Power Generation Inc. – Application for Approval of Payment Amounts
for Prescribed Generating Facilities/Ontario Energy Board File No. EB-2010-0008**

We are counsel to the Consumers Council of Canada ("CCC"). We have been instructed by our client to intervene in this application.

The Council is a non-profit, public interest entity, representing the interests of residential consumers of electricity in Ontario. The outcome of the proceeding will have an impact on the rates paid by residential consumers of electricity.

The Council intends to seek an order, at the conclusion of the proceeding, for its costs. The Council represents the interests of consumers of electricity in Ontario. It has no funds of its own to support its intervention in the application. The Council has participated in many Board proceedings dealing with the regulation of the electricity sector. In every case, the Council has been found to be eligible to apply for and to receive an award of costs.

We would appreciate your having all notices with respect to the proceeding, and copies of all evidence, delivered to the writer. In addition, copies of all materials should be sent to the Council's consultant, Julie Girvan. Ms. Girvan's contact information is: 62 Hillside Avenue East Toronto, ON, M4S 1T5, telephone: (416) 322-7936, fax: (416) 322-9703, e-mail: jgirvan@ca.inter.net.

Yours very truly,

WeirFoulds LLP
