Ms. Kirsten Walli
Board Secretary
Ontario Energy Board

Dear Ms. Walli:

**RE: Union Gas Limited Notice of Application and Notice of Written Hearing
Franchise Agreement and Certificate of Public Convenience and Necessity
The Corporation of the Municipality of Central Elgin
Ontario Energy Board File Nos. EB-2007-0809 and EB-2007-0810**

We are counsel to Natural Resource Gas Limited ("NRG"). Further to the Notice mentioned above, this letter is to advise that NRG will require an extension of the 14-day time period for making submissions.

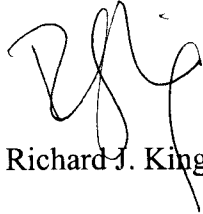

In discussions with Mr. McMahon of Union Gas Limited ("Union"), he advised me that the Notice was published in the St. Thomas Times Journal on October 27th, 2007, which would require NRG to file written submissions by November 12, 2007.

Upon receiving the Notice, NRG requested public files from the Ontario Energy Board dealing with Franchise Agreements and Certificates of Public Convenience for the franchise areas that are now covered by the Municipality of Central Elgin. These files need to be retrieved from archives, and are expected to be received in the next few days. Upon receipt of the files, we will quickly review them in order to ascertain whether NRG's interests in Central Elgin are adversely affected.

To the extent that there are any areas of uncertainty after reviewing the files, our plan is to discuss them with Union (and potentially Board staff) prior to making submissions. We would expect that this approach would avoid the need for an oral hearing.

Should you have any question, please contact me.

Yours very truly,
