Dear Ms Walli,

Union Gas Limited – July 1, 2010 QRAM Application

Board File No.: EB-2010-0201

Our File No.: 339583-0000019

I am writing on behalf of our client, Canadian Manufacturers & Exporters (“CME”) to provide comments on Union Gas Limited’s (“Union”) QRAM Application which seeks changes to Union’s gas supply and transportation rates to reflect changes to the forecasted costs of purchasing and transporting natural gas.

We have reviewed Union’s QRAM Application which was filed with the Board on June 7, 2010. We have also discussed the QRAM Application with a representative from Union. On the basis of its review of the Application, coupled with our subsequent discussion with Union, CME is satisfied that this Application is consistent with the Board-approved framework for QRAM Applications. As such, CME not oppose the relief sought by Union in the June 7, 2010 QRAM Application.

CME requests an award of its reasonably incurred costs in connection with conducting its examination of Union’s QRAM Application.

Yours very truly,

Vincent J. DeRose
