Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2010-0193 – Toronto Hydro Contact Voltage Claim

We are counsel for the School Energy Coalition. Pursuant to Procedural Order #1, we have reviewed whether this matter may require an oral hearing. In our submission, until the parties have had a chance to see the Applicant's responses to written interrogatories, it is impossible to assess whether cross-examination would assist the Board in making a decision in this matter. We therefore request that the Board defer a final decision on whether the hearing should be oral or written until interrogatory responses have been received.

We hope these comments are of assistance to the Board.

All of which is respectfully submitted.

Yours very truly,
JAY SHEPHERD P. C.
