Dear Ms. Massey,

As you are aware, the oral hearing in the above noted matter is scheduled to begin on Monday, January 22, 2007. You have asked for an opportunity to make an oral presentation to the Board.

As described in the Procedural Orders, a settlement conference has been held in this matter. Although no settlement proposal has yet been filed, if the Board receives such a proposal prior to January 22, it will likely hear and consider any proposal on the first scheduled day of the hearing. If the Board accepts a settlement proposal, it will not hear any further submissions on the issues that have been settled.

If a settlement proposal is filed, you will receive a copy. If you wish to make any submissions on issues that the parties to the settlement agreement propose to settle, you may appear at the hearing on January 22 and make these submissions to the Board. Alternately, you can file written submissions by January 22. Please note that there will be no further opportunity to make submissions on any settlement proposal.

If the issues to which you wish to speak are not covered in a settlement agreement, you can still make oral submissions to the Board on these issues. Please contact the case manager, Richard Battista, at 416-440-7629, to arrange for a time to address the panel (the hearing is scheduled to run until February 15, however it is possible that it will not last that long). You can also make submissions in writing.

Yours truly,
