Dear Ms. Slater:

**Re: Multi-year Electricity Distribution Rate Setting Plan
2011 Electricity Distribution Rates - EB-2010-0126**

The Board is in receipt of your letter dated May 19, 2010. E.L.K Energy Inc. is currently expected to file for a cost of service rate review for the 2011 rate year. Your letter requested moving this filing from 2011 to 2012.

The Board grants your request to be placed on the selection list of electricity distributors scheduled for rebasing in 2012.

In granting this request, the Board will expect E.L.K. Energy Inc. to adhere to the process for 2011 incentive regulation distribution rate applications as may be determined by the Board.

Yours truly,
