Mr. Joerg Ruppenstein
President and CEO
Fort Frances Power Corporation
320 Portage Avenue,
Fort Frances ON P9A 3P9

Dear Mr. Ruppenstein:

**Re: Multi-year Electricity Distribution Rate Setting Plan
2011 Electricity Distribution Rates - EB-2010-0128**

The Board is in receipt of your letter dated May 31, 2010. Fort Frances Power is currently expected to file for a cost of service rate review for the 2011 rate year. Your letter requested deferring this filing indefinitely.

This request follows a previous request to defer filing a cost of service application from 2010 to 2011. This previous request was granted by the Board in a letter dated July 28, 2009.

The Board recognizes Fort Frances Power's current circumstances as outlined in your letter, and grants a one year deferral of your next cost of service application. In the event that Fort Frances Power wishes to seek a further deferral of its next cost of service rate review, the Board expects Fort Frances Power to update the Board by correspondence similar to its May 31, 2010 letter.

In granting this request, the Board will expect Fort Frances Power to adhere to the process for 2011 incentive regulation distribution rate applications as may be determined by the Board.

Yours truly,

Original Signed By

John Pickernell
Assistant Board Secretary
