Chief Executive Officer
Grimsby Power Inc.
231 Roberts Road,
Grimsby ON L3M 5N2

Dear Mr. Curtiss:

**Re: Multi-year Electricity Distribution Rate Setting Plan
2011 Electricity Distribution Rates - EB-2010-0129**

The Board is in receipt of your letter dated June 3, 2010. Grimsby Power is currently expected to file for a cost of service rate review for the 2011 rate year. Your letter requested moving this filing from 2011 to 2012.

The Board recognizes the benefit of providing flexibility in its processes for the management of the workload associated with the filing of rate applications. The Board acknowledges Grimsby Power's current circumstances in this regard, as outlined in your letter, and grants your request to be placed on the selection list of electricity distributors scheduled for rebasing in 2012.

The Board notes that Grimsby Power indicated that it will seek a January 1, 2012 effective date for its 2012 rates. The Board expects Grimsby Power to file its application no later than April 29, 2011 for rates to become effective January 1, 2012.

In granting this request, the Board will expect Grimsby Power to adhere to the process for 2011 incentive regulation distribution rate applications as may be determined by the Board.

Yours truly,
