Dear Ms. Birceanu:

**Re: Multi-year Electricity Distribution Rate Setting Plan  
2011 Electricity Distribution Rates - EB-2010-0130**

The Board is in receipt of your letter dated May 11, 2010.

In a previous letter dated March 16, 2010, you indicated Guelph Hydro's intention to file a cost of service application for 2011 rates, one year in advance of Guelph Hydro's next regularly scheduled cost of service application. Your letter dated May 11, 2010 indicated that Guelph Hydro will move this filing back to its regularly scheduled year for 2012 rates.

The Board notes that Guelph Hydro indicated that it will seek a January 1, 2012 effective date for its 2012 rates. The Board expects Guelph Hydro to file its application no later than April 29, 2011 for rates to become effective January 1, 2012.

The Board will expect Guelph Hydro to adhere to the process for 2011 incentive regulation distribution rate applications as may be determined by the Board.

Yours truly,
