IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O. 1998, c. 15, Schedule B;

AND IN THE MATTER OF an application by Ivaco
Rolling Mills 2004, L.P. for an electricity wholesaler
licence.

By delegation, before: Jennifer Lea

INTERIM DECISION AND ORDER

Ivaco Rolling Mills 2004, L.P. filed an application on July 2, 2010 with the Ontario Energy Board under section 60 of the *Ontario Energy Board Act*, 1998 for an electricity wholesaler licence. The Board has assigned the application file number EB-2010-0225.

The applicant was previously licensed by the Board, and that licence expired on February 28, 2010. In order to purchase electricity in the IESO administered markets to support its operations, the applicant requires an electricity wholesaler licence. By letter to the Board dated June 28, 2010, the applicant requested an interim licence.

Considering the time required to process an application in accordance with the Board's established practice and procedures, and considering the applicant's need for a licence to carry out activities as an electricity wholesaler to support its rod mill and fabricated steel product manufacturing facility operations in L'Orignal, Ontario, it has been found to be in the public interest to issue an interim order granting the requested electricity wholesaler licence, pending the final disposition of the matter. The applicant is reminded that this interim decision does not constitute a final decision on the application.

IT IS THEREFORE ORDERED THAT:

An electricity wholesaler licence is granted, on an interim basis, on such conditions as are contained in the attached licence. The licence will be valid until November 7, 2010, or until the final determination of the electricity wholesaler licence application, whichever is earlier.

DATED at Toronto, July 7, 2010.
