Dear Ms. Walli,

Re: File EB-2010-0008

The Association of Power Producers of Ontario (APPRO) has reconsidered its involvement in the above noted proceeding, and wishes to change its status from Observer to Intervenor. Hopefully this can be accommodated by the Board and Ontario Power Generation

APPRO does not intend to seek an award of costs in this proceeding and is willing to accept the record to date.

All service should be directed to the undersigned at david.butters@appro.org.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Butters', enclosed within a large, loopy oval shape.
