Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
PO Box 2319
2300 Yonge Street
Toronto, ON M4P 1E4

Dear Ms. Walli:

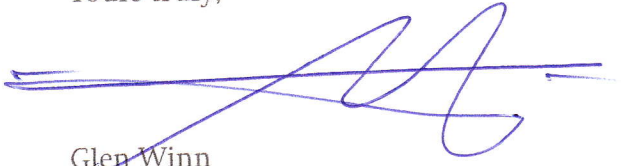

**RE: Submissions of “Large Distributors” on Hydro One “High 5” Motion
in Hydro One Networks Inc. ‘s 2011-2012 Transmission Revenue
Requirement Proceeding
OEB File No. EB-2010- 0002**

Hydro Ottawa Limited, PowerStream Inc., and Toronto Hydro-Electric System Limited (collectively, the “Large Distributors”) are each intervenors in the above-noted proceeding. In accordance with the Board’s Procedural Order No. 1, the Large Distributors provide here their submissions on the Motion issue.

The Large Distributors support the relief sought in the Hydro One Motion for the reasons set out in that Motion, and in particular so that the question of whether to re-distribute revenue responsibility for transmission system costs can be efficiently, thoroughly and fairly canvassed with appropriate notice to all affected parties. The proposed re-distribution could have material impacts on the customers of the Large Distributors as

well as substantially all other local distributors in the province. The Large Distributors do not believe that the relief sought will be to the prejudice of any party to the EB-2010-0002 proceeding.

Yours truly,
