Attention: Ms. K. Walli, Board Secretary

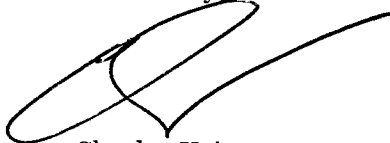

Dear Ms. Walli:

**Re: Hydro One Networks Inc. - Notice of Motion to Sever (EB-2010-0002) -  
Written Submissions of Great Lakes Power Transmission Inc.**

We are counsel to Great Lakes Power Transmission Inc. ("GLPT"), which has been granted intervenor status in the application by Hydro One Networks Inc. ("HONI") for 2011-2012 transmission rates (EB-2010-0002). As part of this proceeding, HONI filed a Notice of Motion to sever the issue of the proposal by the Association of Major Power Consumers of Ontario to alter the method of determining the transmission network charge (the "High 5 Proposal") from the rate proceeding. These are GLPT's submissions in respect of the HONI motion.

GLPT supports the HONI motion to sever the above-noted issue for review and assessment in a separate generic proceeding.

Yours truly,

Charles Keizer
