Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. ("Enbridge")
System Reliability Settlement Agreement
Ontario Energy Board ("Board") File No. EB-2010-0231**

Further to the Board's Decision and Order in Phase 2 of Enbridge's 2009 rate application (EB-2008-0219) the Board directed Enbridge to file an application with respect to system reliability for implementation in the 2010/2011 winter season.

Subsequent to several stakeholder consultations on this issue attached please find Enbridge's application for approval of the system reliability Settlement Agreement and supporting documentation.

Enbridge looks forward to further direction from the Board.

Sincerely,

A handwritten signature in black ink that reads 'Robert Bourke'.
