**GAS FRANCHISE APPROVAL AND APPROVAL TO ESTABLISH  
A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY  
FOR THE TOWNSHIP OF EAST ZORRA-TAVISTOCK**

Union Gas Limited (the “Applicant”) has filed an application dated July 12, 2010 with the Ontario Energy Board (the “Board”) under section 9 of the *Municipal Franchises Act*, R.S.O. 1990, c. M.55, as amended (the “Act”). The Applicant has applied for an order of the Board approving the terms and conditions upon which and the period for which the Corporation of the Township of East Zorra-Tavistock (the “Corporation”) is, by by-law, to grant to the Applicant the right to construct and operate works for the distribution of gas and the right to extend and add to the works in the Township of East Zorra-Tavistock (the “Municipality”). The Applicant has also applied for an order of the Board declaring and directing that the assent of the municipal electors to the by-law is not necessary.

On January 1, 1975, the former Township of East Zorra and the former Village of Tavistock were amalgamated to form the Township of East Zorra-Tavistock and a portion of the former Township of North Oxford was annexed to the Township of East Zorra-Tavistock.

The Applicant has applied, pursuant to section 8 of the Act, for an order of the Board superseding that part of the existing Certificate of Public Convenience and Necessity (“Certificate”) E.B.C. 32 associated with the former Township of East Zorra and cancelling the Certificate E.B.C. 44 associated with the former Township of East Zorra

and replacing them with a single Certificate for the amalgamated Corporation of the Township of East Zorra-Tavistock.

The Applicant currently holds a franchise agreement associated with the Township of East Zorra-Tavistock. The Applicant also holds two Certificates associated with the former Township of East Zorra.

The application will be decided by the Manager, Natural Gas Applications, who has been delegated this authority pursuant to section 6 of the *Ontario Energy Board Act*, 1998, S.O. 1998, c.15 (Schedule B). The Manager, Natural Gas Applications, does not intend to provide for an award of costs when deciding this application.

Copies of the application and pre-filed evidence will be available for public inspection at the Board's offices, the Applicant's offices, and at the office of the Corporation at the addresses indicated below.

The Board intends to proceed with the application by way of a written hearing unless a party satisfies the Board that there is a good reason for not holding a written hearing. If you object to the Board holding a written hearing in this matter, you must provide written reasons why an oral hearing is necessary. Any submissions objecting to a written hearing must be received by the Board within **7 days** of the publication date of this Notice.
