RE: 2010 Natural Gas Market Review (EB-2010-0199)

Dear Ms. Walli:

GDF SUEZ Energy Marketing NA, Inc. (GDF SUEZ Energy Marketing) is interested in participating in the review and examination of the recent developments in North American natural gas supply markets and their implications for the Ontario natural gas market. GDF SUEZ Energy Marketing does not wish to request cost eligibility.

GDF SUEZ Energy Marketing is a wholly owned subsidiary of GDF SUEZ Energy North America, Inc. ("GDF SUEZ Energy"), which manages a range of energy businesses in the United States, Mexico and Canada including electricity generation and cogeneration, natural gas and liquefied natural gas (LNG) distribution and sales, asset-based trading and origination, and retail energy sales and related services to commercial and industrial customers. GDF SUEZ Energy has a natural gas fired cogeneration facility in Windsor, Ontario and is looking to increase its generation portfolio and natural gas business into Ontario.

GDF SUEZ Energy is part of the international energy group, GDF SUEZ S.A. ("GDF SUEZ"). GDF SUEZ develops its businesses around a responsible-growth model designed to assume challenges, respond to energy needs, ensure the security of supply, fight adverse climate change and use resources in the most efficient manner. GDF SUEZ relies on diversified supply sources as well as flexible and high-performance power generation in order to provide innovative energy solutions to individuals, cities, and businesses.

GDF SUEZ Energy Marketing believes it will bring a valuable perspective to the market review as a consumer of natural gas in Ontario and as a global producer and distributor of natural gas.

Sincerely,

J.D. Burrows
