3. Please complete question 12 of the application form.

- a. Revised balance sheet that follows the 'basic accounting equation' where $\text{Assets} = \text{Liabilities} + \text{Owner's Equity}$.
 - b. Detailed business plan in support of your pro forma financial statements and assumptions used in preparing your forecast, specifically the forecasted increase in your revenue in 2011 and 2012 fiscal years.
 - c. Letter from your bank.

6. Please describe in details your current business activities in reference to natural gas marketing.
7. Question 13, technical resources does not reflect the required qualifications and experience with respect to the natural gas marketing business. Please provide the required information.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@oeb.gov.on.ca.
