Dear Ms. Walli:

**Re: EB-2010-0008 – Ontario Power Generation Inc. 2011-2012 Payment
Amounts for Prescribed Facilities**

We are counsel to OPG and are writing in relation to the Board's Procedural Order No. 3 dated July 21, 2010.

At page 27 of Procedural Order No. 3 under the heading "Procedural Matters", the Board directed OPG in filing interrogatory responses to organize the filing of the responses by issue and within each issue by party. Pursuant to Procedural Order No. 1, these responses are to be filed by August 12, 2010.

Since OPG's last payment amounts case, OPG has dedicated substantial resources to the development of a customized Sharepoint software system to assist in the interrogatory response process. The Sharepoint system is designed to facilitate the efficient delivery of responses and has been structured to organize the responses by Intervenor. Unfortunately, the system does not currently have the added functionality of being able to sort responses by issue. This sorting will require modifications to the Sharepoint system and manual inputs.

In the circumstances, OPG proposes to file electronically on August 12, 2010 responses to the interrogatories organized by Intervenor. OPG then will undertake the sorting required by Procedural Order No. 3. We understand that OPG should be able to file electronic and paper copies of the interrogatories organized by issue and within each issue by party by August 23, 2010. We trust this will be satisfactory to the Board.

Yours truly,
