23.03 Every letter of intervention shall contain the following information:

- (a) a description of the intervenor, its membership, if any, the interest of the intervenor in the proceeding and the grounds for the intervention;
- (b) subject to Rule 23.04, a concise statement of the nature and scope of the intervenor's intended participation;
- (c) a request for the written evidence, if it is desired;

- (f) the full name, address, telephone number, and fax number, if any, of no more than two representatives of the intervenor, including counsel, for the purposes of service and delivery of documents in the proceeding.

At present your intervention request does not conform to these requirements. If it is your intention to seek intervention status you should provide the information noted above as soon as possible and no later than Friday July 30<sup>th</sup>, 2010.

Alternatively, the Board is prepared to grant you observer status at this time and will ensure that any comment letters received from you concerning this application will be entered into the record of this proceeding and considered by the Board members adjudicating this case.

You may want to visit the Board's website at [www.oeb.gov.on.ca](http://www.oeb.gov.on.ca) to familiarize yourself with the Board's Rule of Practice and Procedure.

With regard to your request for costs, the Board commonly does not award costs to individuals. It may be helpful to you to review the Board Practice Directions on Cost Awards also found on the Board's website.

Yours truly,
