Dear Ms. Walli:

**RE: 2010 Natural Gas Market Review, EB-2010-0199**

Aegent Energy Advisors Inc. is in receipt of the Ontario Energy Board's announcement of its 2010 natural gas market review. In accordance with directions dated July 13, 2010, Aegent would like to indicate its intention to participate in the review. Aegent is not requesting cost eligibility.

Aegent is an independent consulting firm providing objective analysis and advice to assist large-volume natural gas and electricity users to reduce energy costs, manage energy cost risk, and resolve the complexity of energy supply acquisitions. Aegent does not buy or sell energy for its own account. Aegent works with industrial, commercial, institutional, and municipal energy consumers. Aegent's services include supply portfolio development, price risk analysis, contract administration, pipeline and utility gas nominations, tracking and mitigating gas supply imbalances, and settlement support. As well, Aegent represents certain of its clients in proceedings before the Ontario Energy Board.

Aegent requests that all correspondence and documents be directed to:
