Dear Mr. Wray:

**Re: Algoma Power Inc.
Application for 2010 and 2011 Distribution Rates
Board File Number EB-2009-0278**

The Algoma Coalition filed a Notice of Intervention with the Ontario Energy Board (the "Board") on July 23, 2010 seeking intervenor status in the EB-2009-0278 proceeding. A copy of the Notice of Intervention is enclosed.

The Board notes that the Algoma Coalition's request for intervenor status was filed after the deadline indicated in the Notice of Application for this proceeding. The Board grants the Algoma Coalition intervenor status subject to the right of parties to object.

In granting this request for late intervention, the Board reminds parties, including the Algoma Coalition, that the current schedule of events as set in Procedural Order No.1 for EB-2009-0278 dated July 20, 2010, remains in place. A copy of Procedural Order No.1 is enclosed.

Yours truly,
