Dear Ms. Walli:

**Re: Board File No.: EB-2010-0055  
Union Gas Limited 2011 DSM Plan**

VECC has reviewed Union's response to our Interrogatories and is satisfied with those responses. VECC accordingly supports the as filed Application.

However, we note that the Minister of Energy and Infrastructure has since provided direction regarding Low Income gas DSM programs and in our view it is now imperative that Union Gas revise the components of its Low Income programs for 2011; we note that both Union and EGDI have scheduled a meeting with LIEN and VECC to discuss enhancements to their 2011 DSM Plans.

We respectfully suggest that the Board not issue its orders until these revisions have been filed.

Thank you.

Yours truly,

Michael Buonaguro
