development of national and international markets for its members and to break down trade barriers.

- (ii) About 85% of CME's 1,400 Ontario-based member companies are Small to Medium sized business Enterprises ("SMEs") with 500 employees or less. The views of these businesses should be considered in this proceeding.
- (iii) CME's ability to actively participate in this proceeding is dependent upon a determination that it is eligible for a Cost Award. In many prior proceedings, the Board has determined that CME is eligible for a Cost Award.
