Dear Mr. Keizer:

**Re: Application of the Ontario Power Authority for Approval of its Integrated
Power System Plan and Proposed Procurement Processes
Board File No.: EB-2007-0707
Notice of Intervention of Brookfield Energy Marketing Inc.**

The Board confirms the Brookfield Energy Marketing Inc. as an intervenor in the above noted proceeding, subject to the Ontario Power Authority's right to object to your request.

On approximately December 6, 2007, the Board will be posting a list of intervenors on its website. Please examine the list and identify any intervenors with whom you may have a common interest, and work together with those parties to avoid duplication in your presentations to the Board.

For those intervenors who have requested cost eligibility, please note that the Board will issue a decision on all of the cost eligibility requests once the intervention period has expired.

Yours truly,
