ONTARIO ENERGY BOARD

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, Sch.B, as amended;

AND IN THE MATTER OF an Application by Newmarket-Tay Power Distribution Ltd. pursuant to section 78 of the *Ontario Energy Board Act* for an Order or Orders approving just and reasonable rates for the delivery and distribution of electricity.

NOTICE OF INTERVENTION

OF

VULNERABLE ENERGY CONSUMERS COALITION (VECC)

To: Ms. Kirsten Walli
Board Secretary

And to: Newmarket-Tay Power Distribution Ltd.
Attention: Mr. Paul Ferguson

1. The Vulnerable Energy Consumers Coalition (VECC) hereby expresses its intention to intervene and participate in the above-mentioned proceeding. VECC consists of the following organizations:
 - (a) The Federation of Metro Tenants Association
 - (b) The Ontario Coalition of Senior Citizens' Organizations (OCSCO)

2. The Federation of the Metro Tenants Association is a non-profit corporation composed of over ninety-two affiliated tenants associations, individual tenants, housing organizations, and members of non-profit housing co-ops. In addition to encouraging the organization of tenants and the promotion of decent and affordable housing, the Federation provides general information, advice, and assistance to tenants. The address is:

500-27 Carlton Street
Toronto, ON
M5B 1L2

3. The Ontario Coalition of Senior Citizens' Organizations (OCSCO) is a coalition of over 120 senior groups as well as individual members across Ontario. OCSCO represents the concerns of over 500,000 senior citizens through its group and individual members. OCSCO's mission is to improve the quality of life for Ontario's seniors. OCSCO's address is:

333 Wilson Avenue, Suite 406
Toronto, ON
M3H 1T2

4. The name and address of the agent authorized to receive documents on behalf of VECC is:

bharper@econalysis.ca

6. VECC has accessed the Application as filed on the OEB's web site. VECC requests that copies of any additional supporting materials be forwarded to each of the two parties named above.
7. VECC is intervening in order to ensure that consumer interests and in particular the interests of the low-income and vulnerable users of electricity are fully represented in the determination of just and reasonable rates for 2010. Areas of the current Application of interest to VECC include: a) the proposed deficiency of almost 18% relative to revenues at 2009 rates; b) the proposed 11% increase in rate base for 2010 relative to historic 2008 levels, c) the increase in OM&A spending of more than 12% for 2010 over 2008 levels; d) the load forecast methodology, e) the allocation of costs to customer classes, f) the rate design, and g) the proposed LRAM recovery.

8. VECC agrees with the Board's proposal to deal with the application by way of an oral proceeding. However, VECC believes the Board, following the completion of the interrogatory process, should consider the possibility of convening a Settlement Conference in order to narrow the scope of the issues to be dealt with in such a proceeding.

9. VECC will be requesting an award of costs for its participation in this proceeding and believes that, as a coalition representing the direct interests of consumers, it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its' Practice Direction on Cost Awards (Section 3.03).

DATED AT TORONTO, THIS 16th DAY OF AUGUST 2010

Counsel for VECC
