Dear Mr. Chiasson:

**Re: Application for Electricity Retailer Licence
Board File Number EB-2010-0007**

On January 11, 2010, London Health Sciences Centre applied to the Ontario Energy Board for an electricity retailer licence. By letter dated January 12, 2010, the Board informed you that your application was incomplete and could not be processed as filed due to submission of an old application form that does not provide all the information currently required by the Board.

In the past seven months we have attempted many times to contact CEM Engineering acting on behalf of LHSC, but as of today no appropriate application form has been submitted. If you still intend to pursue the Ontario electricity retailer licence, please send the appropriate application form by August 31, 2010, otherwise, your file will be closed.

The new application form can be found on the Board's website or using the following weblink – [www.oeb.gov.on.ca/OEB/ Documents/Licences/Electricity_Retailer_application.pdf](http://www.oeb.gov.on.ca/OEB/Documents/Licences/Electricity_Retailer_application.pdf)

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at (416) 440-8138 or e-mail, Irina.Kuznetsova@oeb.gov.on.ca.

Yours truly,
