Dear Ms. Walli:

**EB-2010-0008 – 2011-2012 Payment Amounts for Ontario Power Generation Inc.'s
Prescribed Facilities –Responses to Interrogatories by Issue**

Attached please find OPG's responses to interrogatories from OEB staff and intervenors. These responses are sorted by issue and within each issue by party as required by the OEB in Procedural Order #3.

OPG has made its best efforts to file responses on time. However, there are three responses remaining to be filed:

- AMPCO Interrogatory #1
- AMPCO Interrogatory #5
- VECC Interrogatory #4

These responses require further analysis and we expect to file them by Friday, August 20, 2010.

An electronic copy (CD) is provided with this letter. The CD contains two files. The first file is interrogatory responses sorted by issue and within each issue by party. The second file is interrogatory responses sorted by intervenor. This CD replaces the Interrogatory Response CD dated August 12, 2010 shipped to you last week. The interrogatory responses will be posted on OPG's website at www.opg.com by Thursday August 19, 2010. OPG is also submitting the responses on the Regulatory Electronic Submission System ("RESS").

Yours truly,
