Dear Ms. Walli:

**Re: Ontario Power Authority
Licence Renewal Application to the Ontario Energy Board (EB-2010-0220)**

The Ontario Power Authority (“OPA”) is writing to file an application for renewal of its licence under section 60 of the *Ontario Energy Board Act, 1998*, since its current licence (EO-2005-0302) will expire on December 31, 2010. Attached please find the form of application as Exhibit A-1-1, as well as the supporting exhibits listed in the attached Table of Contents. Exhibit A-1-8 is a marked-up version of the existing licence and indicates the proposed renewal period to be for 5 years, expiring in 2015.

With respect to the Board’s Letter of Direction, the OPA understands that it would normally be directed to publish the Board’s Notice of Application in the *Globe and Mail* and *Le Droit* newspapers. The OPA respectfully requests that, in this case, the Board consider simply posting the Notice of Application in both English and French to the OEB and OPA websites. This would save time and the cost to ratepayers for publication.

Please forward all notices with respect to this proceeding, and copies of all submissions to the OPA’s Counsel in this matter, Ms. Caroline Jageman, through e-mail at: Caroline.Jageman@powerauthority.on.ca; and to Ms. Miriam Heinz through e-mail at: Miriam.Heinz@powerauthority.on.ca.

Attached please also find a check in the amount of \$800 payable to the Ontario Energy Board for the required licence application fee.

Ms. Kirsten Walli

The OPA looks forward to receiving further direction from the OEB in this matter.

Yours truly,
