**Re: Parry Sound Power Corporation - 2011 Cost of Service Rate (CoS) Application  
(EB-2010-0140)**

Parry Sound Power Corporation (PSP) is filing a cost of service rate application for rates effective May 1, 2011. The filing date, prescribed by the OEB, of August 27, 2010 is currently not achievable. PSP will be filing a complete application as soon as possible but no later than October 29, 2010.

PSP has recently been denied an application brought before the Board for exemptions to certain sections of the Affiliate Relationship Code (ARC). As a result, PSP will be restructuring effective January 1, 2011.

The CoS rate application will reflect the cost implications of restructuring, will ensure compliance with the ARC and will meet the CoS filing guidelines.
