**Re: Hydro One Networks Inc.  
Transmission Revenue Requirement and Rates Application, 2011/2012  
Board File Number EB-2010-0002  
Submission of Confidential Documents by Hydro One**

In a letter dated August 20, 2010, Hydro One requested that certain interrogatory responses filed with the Board be considered confidential. Pursuant to the Board's Practice Direction on Confidential Filings, parties have an opportunity to object to this request.

Any parties who would like to file an objection should do so no later than August 30, 2010.

Hydro One may reply to these objections (if any) by September 3, 2010.

Parties are reminded that if any documents are deemed by the Board to be confidential, they may still access the documents by signing the usual Declaration and Undertaking.

Yours truly,
