This will acknowledge receipt of the additional information requested in our letter of July 16, 2010 regarding your application for an electricity retailer licence ER-2009-0189 renewal. A review of the submitted information indicates that your application remains incomplete and cannot be processed until the following has been filed:

In response to question 9(a) Energhx has provided that it is currently supplying electricity to customers and submitted copies of the Client Service agreements that indicate that Energhx is appointed by the customers as their electricity commodity supplier. Please provide a list of all licenced electricity distributors Energhx has entered into a service agreement with. Also, please provide copies of the service agreements with Hydro One Networks Inc. and Hydro Ottawa Limited.

Please provide the required additional material by **September 3, 2010**.

The Board will resume processing your application once the above information has been filed.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.
