Ms. Walli,

Re: Board File No: EB-2010-0249

Please accept this letter as notice of intent for Innisfil Hydro Distribution Systems Limited (IHDSL) to participate in the initiative to develop Electricity Distribution System Reliability Standards.

IHDSL's participation will consist of written submissions that may be requested and attendance of the scheduled stakeholder conference on Friday, October 15, 2010.

On behalf of IHDSL, thank you for the opportunity to participate in the development of this important initiative.

Sincerely,

*Brenda L Pinke*
