Dear Mr. Taylor:

**Re: Deferral Account - *Green Energy and Green Economy Act, 2009*  
Canadian Niagara Power Inc. ("CNPI")  
Board File Number EB-2010-0250**

The Board has reviewed CNPI's application for a deferral account for the purpose of recording expenses related to renewable generation connection and infrastructure investment arising from the *Green Energy and Green Economy Act, 2009* (the "GEA"). Your application is currently incomplete and cannot be processed until the following has been filed:

1. Provide a summary of results of any studies undertaken by CNPI to identify potential projects that are related to renewable generation connection and infrastructure investment arising from the GEA; and
2. Provide a listing of any potential projects identified by CNPI that are related to renewable generation connection and infrastructure investment arising from the GEA. Please include preliminary estimates of the costs, including year by year cash flows if available, of any projects identified. The sum of these should represent the total cost that CNPI expects to record in the proposed deferral account.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to [boardsec@oeb.gov.on.ca](mailto:boardsec@oeb.gov.on.ca).

Please direct any questions relating to this application to Robert Caputo, Project Advisor, Applications and Regulatory Audit at 416-440-7632 or e-mail, [robert.caputo@oeb.gov.on.ca](mailto:robert.caputo@oeb.gov.on.ca).
