Dear Ms. Walli:

**Re: Board File No.: EB-2010-0175
Enbridge Gas Distribution Inc. 2011 DSM Plan
Comments of the Vulnerable Energy Consumers Coalition (VECC)**

VECC has participated in the development of EGDI's 2011 DSM Plan and accordingly supports the as filed Application.

However, we note that the Minister of Energy and Infrastructure has provided new direction regarding Low Income gas DSM programs and so it is now incumbent on EGDI to revise its Low Income programs for 2011.

We note in this regard that Union and EGDI have established a Working Group to review enhancements to the Low Income components of their 2011 DSM Plans.

We respectfully suggest that the Board issue its order with the condition that these revisions will be filed no later than November 1, 2010.

Thank you.

Yours truly,

Michael Buonaguro
