2300 Yonge Street  
Suite 2700  
Toronto, Ontario M4P 1E4

Dear Ms. Walli:

**Re: Board File EB-2010-0199 / 2010 Natural Gas Review**

We represent the Council of Canadians and write to advise that we intend to retain an expert to prepare a separate expert submission for the stakeholder conference in this matter. That submission will address the likelihood and potential impact of more stringent regulation of hydraulic fracturing on the growth of shale gas production.

Yours truly,

Steven Shrybman
