Dear Ms. Walli:

Re: Board File No. EB- 2010- 0249 - Electricity Distribution System Reliability Standards

The Electricity Distributors Association (EDA) is the voice of Ontario's local distribution companies (LDCs). The EDA represents the interests of over 80 publicly and privately owned LDCs in Ontario.

The EDA intends to participate in the Board's consultation to "Develop Electricity Distribution System Reliability Standards". As the representative of the LDCs in Ontario, and in the interests of consumers, the EDA wishes to participate in the consultation. The EDA will attend the stakeholder conference on October 15, 2010 and will provide written submissions as required based on the feedback received from the members of the association.

Please note that correspondence to the EDA on this proceeding should be directed to the attention of Dev Pasumarty, Financial Policy Analyst at dpasumarty@eda-on.ca

Yours truly,

"Original Signed"

Maurice Tucci
Policy Director, Distribution and Regulation
