Re: 2010 Natural Gas Market Review (EB-2010-0199)

The Association of Power Producers of Ontario (APPRO) has retained John Wolnik as its expert in the above noted Review, and intends to seek a cost award for Mr. Wolnik's time in:

- Reviewing the market report prepared by ICF Consulting Canada Inc. on behalf of APPRO
- Preparation for, attendance at, and reporting for the stakeholder conference, and
- Written comment post the stakeholder conference.

I would be grateful if you would include him in any future APPRO correspondence on this matter.
