Dear Mr. Bradbury:

**Re: Algoma Power Inc.  
Application for Rates  
Board File Number EB-2009-0278**

By way of letter, dated September 8, 2010, the Ontario Energy Board ("Board") was notified by Algoma Power Inc. that parties will not be in a position to file a Settlement Proposal on the due date specified in Procedural Order No. 1, September 8, 2010.

Consequently, the oral hearing for the Board to review the Settlement Proposal scheduled for September 13, 2010 is no longer required and is thereby cancelled.

The Board expects the parties to file the Settlement Proposal no later than Monday September 13, 2010 after which the Board will communicate subsequent procedural events.

In the meantime, the Board wishes to notify the parties that should the Board decide to receive the Settlement Proposal and to hear evidence on any unsettled issues by way of oral hearing, this would occur on **Thursday September 16** commencing at 9:30 am in the Board's offices.

Yours truly,
