Dear Ms. Walli,

**RE: EB-2010-0199 – 2010 Natural Gas Market Review**

In response to the Notice regarding the Natural Gas Market review issued by the Ontario Energy Board, Great Lakes Gas Transmission ("GLGT") and ANR Pipeline ("ANR") would like the opportunity to participate in the review process scheduled for October 7<sup>th</sup> and 8<sup>th</sup>, 2010.

We apologize that our request to participate is so late; however we have a significant interest in the proceeding. GLGT is one of the major transporters of natural gas to the Province of Ontario, and ANR is one of the largest natural gas storage providers in the Great Lakes area.

GLGT and ANR do not intend to seek an award of costs. Please send all information relevant to the proceeding to:
