Dear Ms. Lees:

**Re: Application for an Electricity Wholesaler Licence
Board File Number EB-2010-0262**

The Board has reviewed your application for an electricity wholesaler licence. Your application is currently incomplete and cannot be processed until the following has been filed:

1. Please complete section 9. Finance of your application and provide full audited financial reports for the most recent two fiscal years.
2. A corporate chart is required to help Board staff understand your corporate organization.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@oeb.gov.on.ca.

The Board also notes that the intended markets and services include selling electricity to consumers, defined as a person who uses for the person's own consumption, electricity that the person did not generate. You may require a retailer licence and the application form can be found at www.oeb.gov.on.ca. However, there is no expectation

that this additional information is needed to begin the process of reviewing this application.

Please direct any questions relating to this application to Julie Doherty, Advisor at +1 (416) 440-8133 or e-mail, Julie.Doherty@oeb.gov.on.ca.

Yours truly,
