Re: Initiative to Develop Electricity Distribution System Reliability Standards Board File No.: EB-2010-0249

Dear Board Secretary,

We are pleased to inform you that we most certainly would like to attend the **October 15 2010 stakeholder conference** on the initiatives to further develop system reliability standards for the distribution system in Ontario.

London Hydro is also willing to provide answers to the questions in regards to existing practices on measuring and utilizing system reliability performance within London Hydro as requested by OEB on Attachment A of the invitation letter.

Please note that two representatives from London Hydro look forward to participating in the stakeholder discussions taking place on October 15 2010.

Kind Regards,

Hassan El Madhoun; E.I.T.
Assistant Distribution Engineer
