Power Project (Phase I – Island Falls to Detour Lake)**

---

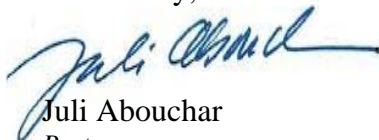

Willms & Shier Environmental Lawyers LLP (Willms & Shier) is legal counsel for Coral Rapids Power on behalf of Taykwa Tagamou Nation.

We are in receipt of your letter dated today regarding Detour Gold Corporation's acceptance of the Independent Electricity System Operator (IESO), Earthroots, the Wahgoshig First Nation and MoCreebec as intervenors in this proceeding.

On September 14, 2010, we filed a request for Intervenor Status for Coral Rapids Power on behalf of Taykwa Tagamou Nation in the above-noted proceeding. Please confirm that Detour Gold Corporation also has no objection to the intervention of Coral Rapids Power on behalf of Taykwa Tagamou Nation.

A copy of the intervention request is attached for your records.

Yours truly,

Juli Abouchar
