Attention: Ms. Kirsten Walli

Dear Ms. Walli:

**RE: EB-2010-0008 - Ontario Power Generation Inc. ("OPG")
2011-2012 Payment Amounts for Prescribed Facilities**

APPrO wishes to note its support for the Ontario Power Generation Inc. Motion in respect of the report entitled "Update to Report on Methodologies for Setting Ontario Power Generation Payment Amounts" ("the Power Advisory Report") prepared by Power Advisory LLC for the Ontario Energy Board and filed in this proceeding by Board Staff.

It is APPrO's submission that, from a process perspective, the issues considered in the Power Advisory Report are substantive, do not relate to Issues 12.1 or 12.2 on the Final Issues List for EB-2010-0008 (which deal only with the timing and process for considering an Incentive Regulation Mechanism) and deserve full consideration in a separate proceeding.

APPrO inadvertently missed the due date for submissions on the Motion, but we trust that the Board will receive and consider our submission in its deliberations nonetheless.

Sincerely,

David Butters
President & CEO
