Dear Ms. Walli:

**Re: Pollution Probe – Request for Intervenor Status
EB-2010-0142 – Toronto Hydro – 2011 Rates**

We are writing to request intervenor status on behalf of Pollution Probe for the above noted matter further to the Board's *Notice of Application and Hearing* and *Rules of Practice and Procedure*.

With respect to the intervention:

- I. Pollution Probe intends to appear and participate at the hearing or hearings.
- II. Pollution Probe is a public interest advocacy group with a large membership and donor base throughout Ontario. On behalf of its members, donors and the general public, Pollution Probe intends to review whether the application is in the public interest. For example, Pollution Probe intends to support aggressive promotion of energy conservation and energy efficiency. Pollution Probe is also interested in issues related to remedying the constraints currently limiting the installation of distributed generation in Toronto. Pollution Probe may identify other interests based on its review of the materials.
- III. Pollution Probe requests two copies of the pre-filed evidence/materials, one to be delivered to Mr. Murray Klippenstein and myself as counsel for Pollution Probe at the law firm address above (e-mail addresses: murray.klippenstein@klippensteins.ca and basil.alexander@klippensteins.ca), and one to be delivered to its consultant, Mr. Jack Gibbons of Public Interest Economics. Electronic copies are sufficient, and we also request that both counsel (Mr. Klippenstein and Mr. Alexander) and Mr. Gibbons be listed on the intervenors' list under Pollution Probe, since this makes the later distribution of updates more effective. Mr. Gibbons is at:

Telephone: (416) 926-1907 x240

Yours truly,

Basil Alexander
