Dear Ms. Walli:

RE: EB-2010-0142 Toronto Hydro-Electric System Limited – Cost of Service Application

Horizon Utilities Corporation (“Horizon Utilities”) is applying for intervention status in the above-noted proceeding.

Horizon Utilities has an interest in observing certain Cost of Service Applications being presented to the Ontario Energy Board (“OEB”) on behalf of the organization and its customers, particularly since Horizon Utilities has recently submitted its own Cost of Service Application (EB-2010-0131).

Horizon Utilities is not seeking an award of costs in this proceeding.

Correspondence related to this matter may be sent to me electronically, at my email address as follows:
